Enclosure

Office of the Assistant Commissioner
Mysore Excise Division

No. 476. Dated 26th March 1903.
4th April 1903.

From,

The Assistant Commissioner,
Mysore Excise Division.

To,

The Deputy Commissioner
Mysore District

Sir,

I have the honor to invite your kind attention to my notes of inspection of the Nelligere Circle, submitted to the Excise Commissioner through you this day. Assistant Inspector Puttiah who is in charge of the Nelligere Circle is 57 years old and quite unfit for executive work. The Excise Inspector, Mandya Range recommended his retirement more than a year ago, but I have kept him on till now. The notes of inspection referred to above will show that he has been entirely neglecting both his outdoor work and

and his Office work. He does not inspect the Shops in his Circle regularly, the Groves are being ruined by overtapping which he has not attended to put a stop to Most of the prescribed registers have not been maintained by him Several orders issued to him have not been replied to, Explanations called for on his diaries so long ago as July 1902 have not been submitted. Owing to his old age he is incapable of doing his work properly Under these circumstances I request that the Assistant Inspector may be ordered to be retired from the 30th June 1903.
